

# Whoopie Sling™

An adjustable lifting sling with a permanent eye spliced in one end, and an adjustable eye at the other end to accommodate a wide range of lifting requirements.

## Description

The adjustment allows snug lifting control, and minimizes the need for a number of fixed length eye & eye slings. These adjustable slings are available in Single Leg, 2-Leg, 3-Leg, and 4-Leg for multi-point lifts. Color coded and tagged for easy identification. Custom chafe options are available upon request.

## Features

- A permanent eye splice at one end and an adjustable eye at the other adapts to varying loads
- Fitted lifting control
- Minimizes the number of fixed length slings required
- Several sizes to choose from
- Permanently tagged with capacity
- Custom sizes and lengths available upon request

## Specifications

Size Diameter (in)	Color	Unit Weight (lbs)	Adjustment Length (ft)	Permanent Eye Size (in)	Rated Capacities
